

The Housing Security Guarantee Program provides guarantees of rental security deposits to eligible persons. This is a loan program with a guarantee to the landlord that, in the event of a default, they will be reimbursed the amount of the security deposit. The client will be responsible to make monthly payments towards the security deposit to the HSGP provider and when the deposit is paid in full the security deposit will be transferred to the landlord.

Eligibility Requirements

- ✓ **An applicant's income needs to be within HUD's guidelines.**
- ✓ **Applicants must demonstrate an ability to make payments or installments.**
- ✓ **The landlord must be willing to accept a guarantee certificate in lieu of any other security deposit.**
- ✓ **The housing must meet local health and safety standards.**

For more information, please contact the Housing Security Guarantee Program provider in your area.
